

PROGRAMME

09:30 – 10:00

Registration and Refreshments

10:00 – 10:15

Opening Speech

10:15 – 11:15

Ing. Petr Vnenk – Principal investigator

TOPIC: Normal stress in continuous welded rail

11:15 – 11:30

Coffee Break

11:30 – 11:50

Ing. Vladimír Suchánek, Ph.D. – Researcher

TOPIC: Experimental determination of rail temperature

11:50 – 12:10

Ing. Jiří Šlapák – Researcher

TOPIC: On the problems of the rail longitudinal displacement measurement

12:10 – 12:30

Ing. Özgür Yurdakul, Ph.D. – Researcher

TOPIC: Thermal stress evaluation in rail by numerical methods

12:30 – 13:30

Closing Remarks and Lunch

Location of Seminar
Educational and Research Center in Transport
Doubravice 41
533 53 Pardubice

Registration until 31st of March
