Supervisor`s evaluation and closer specification of the study plan *(to be filled in by the supervisor)*

Statement of the department *(to be filled in by the head of the department)*

.....
Student (date, signature)

.....
Supervisor (date, signature)

.....
Head of the Department (date, signature)

.....
the Dean (date, signature)

Instruction:

- 1) The first part of the form “Report of the scientific and research activity of a PhD student“ is to be filled in by the PhD student before enrolling into the next year of study.
- 2) The student submits the filled in “Report of the scientific and research activity of a PhD student“ together with the “Evaluation report“ to his supervisor for confirmation of the information. The supervisor adds in his evaluation and specifies the study plan.
- 3) The supervisor gives the “Evaluation report“ and the “ Report of the scientific and research activity of a PhD student“ to the head of the department, who completes his statement and signature.
- 4) The complete material is submitted by the supervisor to the study department by 8.9.2017
- 5) The student has the right to make a statement about the evaluation report.
- 6) The Study Department gives the submitted and filled in materials to the Dean for the signature.
